### Ivor Searle adds PSA PureTech petrol engine to range

The new 1.2-litre three-cylinder unit, provides a cost-effective solution for popular Citroën, Peugeot, and Vauxhall models

Adam Lane • October 2, 2025 • Comments Closed • 0 likes

Ivor Searle has added the PSA 1.2 litre PureTech petrol engine to its all-makes range. This latest addition covers vehicles produced from 2017 onwards, delivering power outputs between 75-81bhp.

Applications for the engine include the Citroën C3, C4 and Elysée, the Peugeot 208, 2008 and 301, and the Vauxhall Corsa.

Ivor Searle states that its engines are remanufactured to meet and exceed the BS AU257:2002 Code of Practice for engine remanufacturing, and they can cost up to 40% less than new OE units.

All remanufactured engines from the company are supplied with a 12-month unlimited mileage parts and labour warranty. For customer convenience, Ivor Searle offers free next-day UK mainland delivery for stock items ordered before 3.30 pm.

Customers seeking more information or to place an order can call the Ivor Searle sales team on [01353 720531](tel:01353720531) or [click here to find out more](#).
